Art Classes and Workshops

Goals for our students: Our goal is to provide an atmosphere that is fun and engaging for students of all ages as they explore a variety of art methods and develop their skills - and hopefully a life-long passion - for creating art. All classes are taught by either a certified art educator or a professional artist who has mastered not only their technique, but also the art of teaching. Students will enjoy small class sizes, allowing for plenty of individualized attention. Our primary goal is to help you learn and grow as an artist, at your own pace.

How to enroll: Participants can enroll in a class online, by mail, or in person with all fees received at least two business days prior to a class starting. Classes close once the maximum enrollment is met, so early registration is encouraged to secure a spot within the desired class. Payment is required with registration to reserve your space. Please note that many class fees are discounted for Plymouth Arts Center members. Membership information can be found on the Plymouth Arts Center homepage.

Location for classes: All classes are held on sight in the one of the two bright, spacious art studios. When weather permits, the Plymouth Arts Center also offers Plein Air art classes for children and adults.

Class cancellations: If the minimum enrollment number of students is not met, notice of cancellation will be made by email or phone two days prior to the class start date. Students will be refunded the entire class fee.

Class withdrawals: Should a student choose to withdraw from a class, the Plymouth Arts Center must be notified two days prior to the first class. There is a 10% processing fee for all withdrawals. Tuition is nonrefundable if withdrawal is made within the two days prior to the first class or once the class is in session. A student, in that instance, has the choice of transferring their spot in the class to someone not already enrolled in the class.

Use of Photographs: The Plymouth Arts Center occasionally photographs students during classes and workshops with the purpose of promoting class events. Names of class participants will not be published without prior consent from the student - or parent/guardian of our younger students. All photographs used by the Plymouth Arts Center for publicity will be done so without compensation due to the student(s) being photographed.

Parking: You are invited to park in the Plymouth Arts Center parking spaces, the northern end of the Dairy State parking lot (near west wall of the PAC); or **during evening hours**, in the parking lot of the Plymouth Medical Plaza or on the ramp behind the Mill Street Transfer.

Children's Classes - Check-in & Pick-Up: All Students, under the age of 14, must be checked into the classroom by a parent or guardian. There will be a sign-in sheet available when you arrive. Likewise, students should be signed out at the conclusion of each class, with the instructor's acknowledgement. The safety and security of our students is important to us.

Please arrive no earlier than 10 minutes prior to the start of the class. Students must be checked-out promptly at the designated finish time.

Waiver of Liability: By participating in classes and events at the Plymouth Arts Center, the participants hereby release the Plymouth Arts Center, their administrators, directors, agents, officers, volunteers and employees, any sponsors, or advertisers, from all liability, claims, demands, losses or damages as a result of participating in PAC activities and classes. Registration for all classes and workshops are on a voluntary basis on the part of the participant. Waiver of Liability ensures participants promise not to sue the Plymouth Arts Center, its employees, directors, volunteers and agents and release them from any and all claims. All students participating, who are under the age of 18, are required by their legal guardian to consent to these terms. Completed registration for a class or workshop indicates acceptance of this waiver of liability.
