The PAC's Education Newsletter

Spring 2020

Hello PAC Members, Family, and Friends!

Happy Spring! First and foremost, I hope you are all well, healthy, and safe during these uncertain times. Our community continues to prove how strong it is as we adapt and support one another, and I couldn't be more proud to be part of it.

As the PAC has been closed, we've been working hard behind the scenes to be ready to open as soon as we could. Cleaning, organizing, planning, and painting— we're excited to be open from 12-3pm and are closely following guidelines to stay safe. We are so fortunate to have our community's support and love to help serve you in this time of need!

Currently, at 10am every Wednesday I'm logging onto the PAC's Facebook page to host **Live Art!** You can join me live at that time, or re-watch the video at your convenience. Each week, I bring a new art project and demonstrate a step by step sample. Our focus is to try and use items that you may already have in your homes while bringing some much needed art into our lives!

While most of our spring classes have been canceled or postponed, we're excited to start offering virtual classes. Classes will be live streamed and we will deliver your project supply kit to your home!

A flyer for 'Live Art Projects!' on a light green background. At the top left is the Plymouth Arts Center logo. To the right, it says 'Wednesday, May 27th:'. The main title 'Live Art Projects!' is in large, purple, sans-serif font. Below the title, it says 'Join Tricia Roberts, Arts Educational Coordinator, for a step-by-step video tutorial via our Facebook page!' and 'Using ordinary household items, Tricia will take you through a creative tutorial suited for all ages.' A blue call-to-action says 'Tune in at 10am on Facebook this Wednesday for art!'. Below that, it says 'This week's project: Choreography!' and 'Items suggested: loose fitting clothing, a fun attitude, & a bunch of energy!'. A small note reads 'While we understand you may not have all supplies at home, we ask that you do your best to be creative instead of traveling to get them!'. At the bottom right, it says 'Questions? Send us a message and we'll be happy to assist you!'. The flyer includes two images: a black and white silhouette of a man and a woman dancing, and a colorful illustration of children dancing.

Virtual Spring Wreath Class with Alexis Hardin

Wed. June 3, 2020 from 6-8pm

Join us via a live zoom meeting as Alexis walks us through a workshop to create an 18" grapevine wreath. All of the supplies will come in your kit. Some customization will be available, so see the flyer for your choices! You can get your kit delivered if you live in Sheboygan County, or you can pick it up June 2nd from 12-2pm at the PAC.

Summer Art Camps with Mary Starnitcky are coming back!

Starting July 9th, we will be offering 5 different art camps this summer. Each camp is Monday-Thursday with a morning session from 10am-12pm and an afternoon session from 1-3pm. These are separated in grades 1-4 and grades 5-8. Our weeks include Painting Week and Drawing Week which are specific to those techniques. We also have 3 themed weeks which will include multiple mediums. These weeks include Zook Week, Pirate Week, and Wizard

Week. We hope to have class in person, but are set and ready to provide a kit for the week and have class virtually if necessary.

Mastering Mill Street: Choreography Camp with Tricia Roberts

Two sessions will be available this summer from 1:30-3:00pm. Grades 3-6 on July 6-10 and grades 7-9 from July 13-17. The goal of Mastering Mill Street is to take a week and see what it's like to be part of the Mill Street cast! Singing, dancing, and performance skills are worked to help young performers improve on auditioning and learning new choreography. If we are unable to meet in person, we will adapt the class into a virtual class with a future final performance.
