ABOUT THE SHOW: FALL-DOWN FUNNY What would happen if Sherlock Holmes and Monty Python had an illegitimate Broadway baby? You'd get THE PLAY THAT GOES WRONG, Broadway and London's award-winning smash comedy! Called "a gut-busting hit" (TheNewYorkTimes) & "the funniest play Broadway has ever seen" (HuffPost), this classic murder mystery is chock-full of mishaps & madcap mania delivering "a riotous explosion of comedy" (DailyBeast) that is "tons of fun for all ages!" (HuffPost) Age 8+.

ABOUT THE PAINE: The historic Paine property holds a collection of more than a thousand artworks, including paintings, sculptures, furnishings, and decorative objects. Aaron Sherer, Executive Director of the Paine, says, "The garden is a living artwork in which people can marvel at the wonder of nature in concert with the ingenuity of humankind." Similar to the Paine Mansion's main gallery, which features changing art exhibitions, the new formal garden is now a major outdoor "gallery" that will feature spectacular changing seasonal displays of plants. As a four season garden, the space will present a spectacular bulb display in the spring, a major annual display in the summer, a frost-hardy display in fall, and dramatic lighting in winter.

ABOUT THE OSHKOSH FOX RIVER BREWERY: In 1995, the Supple brothers opened up Fox River Brewing Company alongside Fratellos (meaning brothers) Waterfront Restaurant. In 1997 the brothers opened a second brewery location in Appleton. For over 20 years, the Fox River Brewing Co. and Fratellos remain the original waterfront brewery in Oshkosh. **ONLY IN YOUR STATE** blog said, "There are high ceilings, a ton of space, a gorgeous view, and of course some very tasty beers, it's well worth heading there for the fresh draft experience. It's a really fun and beautiful spot and the food is pretty awesome, as well. For lunch, we'll choose from a Beer Cheese Steakburger w/bacon; a California Chicken Sandwich, or a Turkey Hummus Avocado Wrap.

Cost Per Person: \$149.00 (all inclusive) due by March 26, 2019
