BONNITA BUDYSZ

Bonnita's highly acclaimed, internationally awarded paintings are widely exhibited and sought after by private and corporate collectors, fine galleries, and museums alike and consistently garner prestigious awards at the American Impressionist Society, Oil Painters of America, and the Pastel Society of the West Coast. International Artist Magazine, American Artist, Art of the West, Plein Air Magazine, and Wisconsin Trails chose to showcase her work and inspired way of going. As founder of the ecologically sensitive plein air painting group Water's Edge Artists, and with the launch of the Water Dance Project, she continues to champion conservation issues. She shares her love of art by conducting popular workshops; by exhibiting locally, nationally and internationally, and by demonstrating and lecturing at prestigious learning institutions worldwide.

Best of Show, First through Third Place and Merit Awards will be presented. We also honor the memory of Robert Heuel with the presentation of the Robert Heuel, O.P.A. Award to an artist who displays exceptional skill in his/her chosen path.
