*Her critiques were poisonous....
 Words have a power that can lead to murderous intents with deadly results. Art critic Libby LaBelle used the printed word to end the artistic endeavors of many talented people. It's not surprising that someone approached her with murder in mind.*

WE THANK OUR DEDICATED PAC STAFF FOR THEIR ASSISTANCE AS WE CONTINUE TO FULFILL OUR MISSION:

Cindy Haase, Executive Assistant; Liz Higgins, Education Coordinator, Cheryl Reilly, Administrative Assistant; Zdeena Hayssen, Administrative Assistant, Michelle Richards, Bookkeeper, Jackie Jarvis, Grant writer; Richard Fellenz, Maintenance. We welcomed Zdeena to our office staff in November.

THANK YOU KEN PANNIER! For donating your professional photography services and for 'ALL' the fantastic photos! Your generosity is so greatly appreciated.

THANK YOU JERRY GARTNER!

Special Thanks to Jerry Gartner of Gartner Technology in Sheboygan for once again sharing his expert IT services and for helping us with numerous projects.

THANK YOU MORAINE GARDENS & MASTERS GARDENERS! Special thanks to the Master Gardeners for sharing their time and exceptional talent maintaining the PAC gardens. They are beautiful! More special thanks to the Nowicki Family and Moraine Gardens for the exquisite outdoor potted plants that enhance the PAC all year long. We are most grateful for your support.

LANDSCAPING UPDATE: You may have noticed (before the snow storm) that the old shrub line between the restaurant lot and our front plaza was cleared. Steve Nowicki and his team from Moraine Gardens graciously did all the work. He has wonderful garden ideas to share for a spring planting in 2026, (after the flagpole is installed.) We were awarded an anonymous donation from an individual, and the Sartori Company has also agreed to help pay for some of the new plantings.

We apologize if we may have inadvertently missed anyone. Please know we thank you as well.
