

Fall Harvest Wreath Workshop

Join us and start your fall decorating with a make & take wreath workshop!

Sunday, October 11, 2020

1:30-3:30pm

\$40 per student

Sick of your same daily routine? Looking for something fun and new to do?

Join us at the Plymouth Arts Center to create your very own Fall 18" grapevine wreath just in time for the cooler weather. Using mini pumpkins, berries, pinecones, leaves, and wildflowers as embellishments, you will create a piece of art you will be proud to display or gift! This class will take you through all steps needed to create an aesthetically pleasing wreath, even if you are just beginning!

ALL experience levels welcome!

Workshop will be held in our great room to accommodate proper distancing, and we will follow CDC guidelines to keep safety measures in place (*please make note if you'd like to share a table with a specific group of people*). Please be sure to bring a mask.

\$40 includes: 1-18" grapevine wreath base; all listed embellishments; tools; beverage of your choice; & live demonstration!

If you have questions, please contact Tricia Roberts at plymouthartsclasses@gmail.com

About the Artist: A Plymouth native, Alexis has a Bachelor of Arts in English education and a Master of Science in Higher Education Leadership & Student Affairs. Using these degrees, Alexis has experience teaching all age levels over the years through her employment with various Sheboygan County school districts.

When she is not teaching, her primary passion is making wreaths of all types for all occasions. She currently works with grapevine, foam, and wire based wreath forms to ensure her customers always have options. Her favorite part of the process is creating custom wreaths based on pictures and conversations with her customers. She loves to hunt for the right supplies to replicate the desired wreath and takes pride in knowing her wreaths are featured on houses around the county.
